**What will the team be doing?**  
We're going to be learning a lot about Belize and God's love while working side-by-side with the Santa Elena Jaguar Scouts. The team will be doing service projects and distributing shoes in schools & villages in the Cayo District of Belize. We may also visit a nursing home & a few families to share much needed supplies.

This unique week long mission trip is open to those at least 13 years of age. The typical group size is 20 to 24 people. Team members pay for their own trip expenses. We do try though to make this as easy and all-inclusive as possible; so you can focus your time and energy on making a difference.
